Case Studies

Exploring the potential

## Creative communication as an approach for effective advocacy

Tools and Tips

Asist believes that quality advocacy is a right for every citizen. Establishing communication between an advocate and advocacy partner is one of the first steps of advocacy. To promote effective advocacy Asist has developed communication tools and adopted creative approaches to communication.

**Third Sector, £85. Other organisations, £105.** if you have previously attended an Asist training course in Non-Instructed Advocacy you are eligible for a discounted rate. Third Sector, £75. Other organisations, £95. Cost includes course material, refreshments and lunch  
 Costs cover course expenses with any surplus dedicated to the provision of advocacy services

Advocacy Services. Registered Charity No. 1048075 Company No: 3068125
